The Habitat experience.

Help fulfill the urgent need for affordable housing in our community with an extraordinary hands-on opportunity. Participation with Habitat is about community-building. Many people appreciate the opportunity to give back and view volunteering with Habitat as a rewarding experience.

Let go of those Legos.

Habitat for Humanity of Metro Denver's Women Build program is holding a lego build fundraising competition in September and we need legos! If you have lego-brand legos, standard size, and your children or grandchildren are no longer using them, we would love to have them. We will need thousands of legos for this fundraiser, so we need as much help as possible. To donate, e-mail Jill Sladek at WomenBuilders@habitatmetrodenver.org.

The six daughters and son of the Mohamoud-Jilo family pose with local clergy at the recent faith gathering to launch Habitat Helpers co-op with the family house build.

Habitat Helpers project is the last of Habitat's 24 new duplexes for the Bails Project.
